

# How are you coping?

## Tell us through the COVID-19 Survey

You are invited to take part in a research study aiming to better understand the psychological, social and financial impacts of the COVID-19 outbreak. This study involves completing an online survey. This survey is completely confidential. You can participate if you are at least 12 years old.

You can fill out the survey here:

[http://uottawapsy.az1.qualtrics.com/jfe/form/SV\\_d9WCtB6Br3qiF9P](http://uottawapsy.az1.qualtrics.com/jfe/form/SV_d9WCtB6Br3qiF9P)

You can also email us at [C19Survey@theroyal.ca](mailto:C19Survey@theroyal.ca) to get a clickable electronic link to the survey

This study is conducted by a collective of scientists from the Royal Ottawa Mental Health Centre, The Ottawa Hospital, the University of Ottawa Heart Institute, the Children's Hospital of Eastern Ontario, the Centre for Addiction and Mental Health, Sunnybrook Hospital, Southlake Regional Health Centre, l'Hôpital Rivière-des-Prairies, l'Hôpital du Sacré-Cœur de Montréal and and centres from the CIUSSS Centre-Sud-de-l'Île-de-Montréal who are affiliated to the University of Ottawa, University of Montreal, and McGill University. The investigator at this site is Dr Mary Chiu.
